Spring 2006

Notes from the Director

The start of a new year begins the cycle of planning and implementing ways in which we can better serve our community in the coming year. Having just returned from my second year at the Guadalajara Book Fair, I am energized from networking with other librarians throughout the United States. We have purchased Spanish materials in DVD, audiobook, and graphic novel format; plus adult fiction and children's books.

I wish to extend special thanks to the Friends of the Library for their \$3,000 contribution towards the purchase of these materials. I am grateful to the Board and staff for their support and advice in developing both the Spanish and English language collection of materials, computer technology, and programming for this library.

New programs this year will include computer classes available to the public. We plan to show movies at the library and add more of the newer DVDs to our collection. Updates and improvements to the building will continue and a second book drop on Randall Road will be added.

We are planning more outreach programs within our district at public events; plus the creation of a business community newsletter and a library services survey are in the works.

As always, we will continue to seek additional funding sources to finance improvements and additions to our services.

We invite your comments and suggestions. Some of our best improvements have come as a result of our patrons using the suggestion box located on the display case opposite the Circulation counter. Suggestions can also be made on our web

page which keeps our community informed with daily listings of library events.

Change Your World @ Your Library

Stop In and Celebrate
National Library Week,
April 2-8, 2006

Sponsored by the
Dundee Public Library

"It's Showtime!"

On Thursday, April 20, Dundee Public Library cardholders are invited to attend the premiere of **"It's Showtime!"**, a film series that will be offered each month.

Thanks to the Friends of the Dundee Public Library who purchased a Movie Public Performance Site License, the library will now be able to show major entertainment and educational films.

Our first movie, the award-winning film **March of the Penguins** (G rating) will be shown at 6:30 p.m. in the library's meeting room, lower level. Bring the family—an adult must accompany any child under the age of 9.

Enjoy free popcorn and lemonade as you watch this compelling adventure of the annual journey of Emperor penguins marching -- single file -- to their traditional breeding ground.

Tickets are limited, so pick them up beginning Apr. 1 at the Information Desk.

Meet a Celebrity!

And to kick off this event, come dressed as your favorite celebrity of screen or stage and win a prize!

Everyone (including children) who comes in costume will receive a prize; a grand prize will be awarded to one celebrity look-alike who's name will be drawn from a raffle of participants.

All events will be held in the library's lower level meeting room. Doors open with a **Celebrity Welcome** at 6 p.m., and the movie, **March of the Penguins**, begins at 6:30 p.m. Come join us for a fun event!
